FINANCIAL AID

Martin Community College attempts to assist students in meeting their financial needs to complete their educational goals. Coordination of all financial aid services is handled by the Student Services Division of the College, which also serves as a referral agency for the following:

- ◆ Department of Veterans Affairs (DVA),
- ◆ Workforce Investment Act (WIA),
- ◆ Division of Vocational Rehabilitation,
- ◆ Department of Social Services, and
- ◆ Employment Security Commission (Job Service).

The financial aid program at Martin Community College was established to ensure that qualified students have the opportunity to continue their education. Financial aid is awarded largely on the basis of need, which is defined as the difference between a student's annual cost of education and the amount the student and his or her family can reasonably contribute toward his or her education and is determined by a formula established by the U.S. Congress.

Financial aid is awarded in the form of grants, scholarships, and part-time employment (work-study). Grants and scholarships are gifts that do not have to be repaid. Work-study is money that a student earns by working part-time for the College or a governmental and/or a nonprofit agency. Financial Aid awards are mailed to the address on record in the Registrar's Office. It is the responsibility of the student to keep his or her information current.

Students who qualify for financial aid must be enrolled in a curriculum program and must meet all academic requirements which includes making satisfactory academic progress as defined by the Satisfactory Academic Progress Policy for Financial Aid.
