MCC Equine Technology Club Holds Annual Fall Open Horse Show

WILLIAMSTON, NC – The Equine Technology Club at Martin Community College (MCC) held their *Autumn Annual Open Horse Show* Saturday, November 10 at Martin Community College Arena in Williamston, NC.

There were a variety of classes in different show divisions for riders to perform in and spectators to enjoy watching. The classes included *Walk/Trot/Canter* and *Walk/Trot, Reining for Fun* and *Barrels*, and the divisions featured English, Jumping, Western Pleasure, Working Western and Games. Plenty of Hi-Point awards were given away to competitors, and an array of exhibitors were on hand displaying their goods and services for show-goers.

This event was one of two organized entirely by MCC's Equine Technology students each year. A similar show will be held during the spring so make plans to attend once that date is announced. Both events garner loyal sponsorship support from over a dozen businesses throughout the local area. Admission was free to the public and concessions available on site.

For more information on the Equine Technology Club's annual horse shows, please contact Holly Wall at 336-908-4172 or hew1215@mcc.martincc.edu. To learn more about Martin Community College's Equine Technology program, the only two-year Equine degree program in North Carolina, contact Martin Community College Admissions at 252-792-1521.
