Uniquely MCC

Public Safety Administration Degree, Diploma, and Certificate

The Public Safety Administration curriculum is designed to provide students, as well as practitioners, with knowledge and skills in the technical, managerial, and administrative areas necessary for entrance or advancement within various public safety and government organizations.

Course work in diverse subject areas includes public safety administration and education, interagency operations, crisis leadership, government and agency financial management, professional standards, incident management, administrative law, and supervision, while providing a streamlined pathway that recognizes the value of previously earned skillsets and credentials within the public safety sector.

Employment opportunities exist with fire or police departments, emergency management organizations, governmental agencies, industrial firms, correction facilities, private industries, insurance organizations, educational organizations, security and protective organizations, and through self-employment opportunities.

All courses are online and taught by experienced public safety personnel.

For more information, contact one of the following Public Safety advisors:

- Marty Flynn, Chair of Allied Health and Public Safety
(252) 789-0292 email: marty.flynn@martincc.edu
- George Dixon, Lead Public Safety Instructor
(252) 789-0320 email: george.dixon@martincc.edu
