

Martin Community College

High School-To-College PUBLIC SAFETY ADMINISTRATION-SECURITY AND LOSS PREVENTION Pathway

The Public Safety Administration curriculum is designed to provide students, as well as practitioners, with knowledge and skills in the technical, managerial, and administrative areas necessary for entrance or advancement within various public safety and government organizations. Course work in diverse subject areas includes public safety administration and education, interagency operations, crisis leadership, government and agency financial management, professional standards, incident management, administrative law, and supervision, while providing a streamlined pathway that recognizes the value of previously earned skillsets and credentials within the public safety sector.

Student Learning Outcomes:

- Student will apply knowledge learned in the program to solve complex problems regarding public safety issues.
- Student will understand the laws, rules, procedures, public policy, and ethics of public safety.
- Student will display the ability to manage critical incidents and use de-escalation tactics.

PATHWAY: HS Diploma + Public Safety Administration-Security and Loss Prevention Certificate (C55480P1)
