

2. Students who have not been absent from the program for more than 12 months will sign a written plan of remediation. A written plan of remediation will be drawn up for the student which may include any of the following: self-directed study, additional practical examinations in addition to the ones required in the curriculum, and extra assignments needed for the best interest of the student. This plan will be signed by the student and the program Director and will be kept in the student's file with a copy sent to the Registrar's office to be kept in the student's permanent file.
3. Re-admission who left the program as a result of unsatisfactory academic/clinical performance may re-enter the program, if accepted, on probation and will remain on probation for the entire fall semester.

COLLABORATIVE AGREEMENTS

Martin Community College has collaborative agreements with Beaufort, Edgecombe, College of the Albemarle, Nash, and Pitt Community Colleges. These agreements allow two applicants from each college who meet required criteria to be admitted into the Dental Assisting Program.
