The library is here to help you, not only with finding books and other resources, but with questions about BlackBoard, student e-mail, printing, Cengage, SAM and anything else you are confused about. If we don't know the answer, we will help you find the person on campus who does. Students may contact us by phone or e-mail, or come by in person. Click on our home page link for our contact information. There is also a chat box for after-hours use on the library's home page.
