

ATTENTION COMMUNITY COLLEGES!

The NCCF is pleased to announce the

JADE LEARNING ELECTRICAL TECHNOLOGIES SCHOLARSHIP

for students enrolled in technical or occupational schools.

**The Scholarship Awards Up To
\$1,800**

Eligible students are enrolled at North Carolina technical or occupational schools pursuing education and training in the field of electrical systems technologies, or apprentices enrolled in an approved apprenticeship program. Preference may be given to those who are pursuing a two-year associate's degree.

Applicants will be considered based on academic achievement, financial need and essay.

Applications are due **May 11** and can be accessed by clicking below:

[JADE Learning Electrical Technologies Scholarship Information](#)

Please note that applications are to be completed via NCCF's online scholarship system, which can be accessed via our website by clicking on the links above.

Thank you for sharing this information with your students.
